POST NEWS

We are in the process of building a new brick Barbeque grill at the post. It will be put to use at our annual picnic and other affairs. Thanks to all that have volunteered their time and labor on this project.

As most of you know we have recently completed a total renovation of our hall. The next major project will be the renovation of the outside of the building. The plans are just in the beginning stages at this time but should move along at a fairly steady pace.

The All Service breakfast sponsored by the Tinley Park Veterans Commission was held Sunday Oct. 7th at the Tinley Park convention center. This annual event has grown larger each year and was moved to the convention center this year to accommodate the several hundred vets that attended from all branches and all conflicts.
