Post News

Convention delegates attended the state convention in Springfield. The celebration of our new state commander was held outside the hotel and before the storm started, everyone was having a great time. Bill Hudson is now our state commander. Post 615 was given an award for 100% membership for past year. Thanks again to all of you who renewed or recently joined our post.

Membership dues are currently due for the year 2008-09. Please submit ASAP so that we can get credit for 100% before Oct. 31. Please encourage everyone to help out on this endeavor.

The post picnic in June was enjoyable and many who turned out had a great time. Unfortunately, the Manteno vets were unable to attend due to a scheduling conflict.

The recognition event at our August meeting was held and many were served a very good Prime Rib dinner. Thanks again for all those who contribute their time and efforts to help out at our Post or the various veteran events.

Phone Blast is a new information delivery system where the Post makes a mass phone call to members. Current uses include: alerting Honor Guard for special events, soliciting unpaid dues, emergency notifications. Please don't hang up until you have heard the entire message.

E Newsletter

We are looking into whether or not we should email the post newsletter out with a link to our site to enable everyone who wants to read it on line. There are obvious advantages with cost savings and more timely delivery. Please email us at: admin615@sbcglobal.net

On July 20th we ran our normal beverage stand and bean bag tournament at Tinley Park's annual 1 day Caribbean Day fest. We could have used a few more volunteer to give workers a better break but all turned out very well. S.A.L. 615 held its first Poker night on July 25th. Thank you to all those that volunteered, both events were a huge success. Our year starts July 1st and between those two events alone we are off to what should be our best year for fund raising with over \$5,000 already on the books.

It is because of the hard working volunteers that our Squadron is able to make a very big difference in various Legion programs serving our Vets, children, and community. As taken from the Annual Consolidated Report we recently submitted for last year ending June 30, 2008 Squadron 615 has donated 1,096 man hours and given \$4,875.00 in cash donations, congratulations to all who contributed, great job!

Speaking of a new fiscal year, dues are due now, please get them paid ASAP. We are still offering the same rate of \$20.00 per year, or the 5 year plan for only \$75.00, a \$25.00 savings. I urge you to take advantage of this offer because it will lock you in at this rate even if dues are increased next year which is likely.

Welcome new members

Tom Ward, Tom Slater, Kevin Price, Chris Hull, Owen Heitman

**Our Squadron Meetings are always the 4th Tuesday of the month at 7:30 PM
Hope to see you there!**
